## PROFILE

Dynamic Frontend Engineer and UI/UX Designer with 3+ years of experience delivering high-quality, user-centric web and mobile solutions. Proven expertise in developing scalable applications, crafting intuitive interfaces, and collaborating across multidisciplinary teams to achieve business goals. Passionate about continuous learning, performance optimization, and creating products that enhance user experiences and drive value.

---

## CORE SKILLS

- **Languages & Frameworks:** HTML, CSS, JavaScript, TypeScript, React.js, Next.js, React Native, Tailwind CSS, SASS
  - **Design & Collaboration:** Figma, UI/UX Design, User-Centered Design, Responsive Design
  - **Tools & Platforms:** Git, GitHub, CI/CD Pipelines, Sentry
  - **Methodologies:** Agile Development, Code Reviews, Problem Solving, Mentorship, Cross-functional Teamwork
-

## PROFESSIONAL EXPERIENCE

### Frontend Developer / UI UX Designer

**Activeedge Technologies** | Jan 2022 – Present

- Developed responsive and accessible web applications, enhancing user engagement across devices.
  - Collaborated with UI/UX designers to implement design concepts into functional interfaces, improving usability by 30%.
  - Utilized Git for efficient version control and team collaboration.
  - Participated in code reviews, contributing to improved code quality and team knowledge sharing.
- 

### Frontend Developer (Contract)

**Prodevs** | Jan 2024 – Sep 2024

- Designed and developed interactive, user-friendly interfaces aligned with client needs and project goals.
  - Implemented innovative features with the product team, increasing application competitiveness.
  - Optimized frontend performance for faster load times and smoother interactions.
  - Conducted unit and integration testing to ensure reliability of deployed features.
- 

### Frontend Development Tutor (Contract)

**Techwave Africa** | Jan – Apr 2024

- Mentored aspiring frontend developers through structured, project-based learning.
- Facilitated skill development in HTML, CSS, JavaScript, React.js, and responsive design.
- Guided learners on coding best practices, version control with Git, and collaborative development workflows.

---

**Frontend Developer / UI UX Designer (Contract)**

**Trackpay Technologies** | Jan 2023 – Dec 2023

- Developed scalable web and mobile applications with React.js and React Native.
- Collaborated with backend teams to integrate APIs seamlessly, enhancing product functionalities.
- Participated in CI/CD pipeline deployment processes, ensuring smooth feature releases.

---

**Web Development Trainer**

**Rubies Technology** | Aug 2022 – Jul 2023

- Designed and delivered comprehensive training curricula for diverse learning objectives.
- Facilitated practical projects to equip students with industry-relevant experience.
- Taught clean coding, responsive design, and version control practices, improving student employability.

---

**Intern Frontend Developer**

**Activeedge Technologies** | Nov 2019 – Feb 2020

- Assisted in building user interfaces with HTML, CSS, and JavaScript.
  - Supported senior developers in bug fixing and feature implementation.
  - Practiced version control and responsive design fundamentals to create accessible web pages.
-

## PROJECT HIGHLIGHTS

- **E-Commerce Platforms:** Developed modern, responsive online stores with seamless payment integrations.
  - **QR Code Payment System:** Built a React Native payment solution for fast, secure transactions.
  - **Loan Tracking System:** Engineered a web application to manage and track loan disbursement efficiently.
  - **E-Learning & Enterprise Apps:** Created scalable solutions for educational and enterprise management.
  - **Asset Management Application:** Developed user-friendly dashboards for tracking organizational assets.
- 

## EDUCATION

**Bachelor of Engineering (B.Eng.) Materials & Metallurgical Engineering**  
Federal University of Technology, Owerri | 2017 – 2023
